

## **STOP-IT V2**

I actively engage in the fight against criminal networks and bring their activities to light on a global scale (the latest information for law enforcement agencies is dated 02/05/2024).

From 1998 to 2025, I will pursue, track, and investigate extensive paedophiles networks CSAM materials worldwide.

In addition to targeting and examining paedophile CSAM materials networks, I also investigate cases involving online money laundering operations, prostitution rings, scam networks, fraudulent online pharmacies, drug trafficking routes, and illegal arms dealers operating on the Darkweb.

I report my full investigations to Worldwide Law Enforcement Agencies:

This small, simplified report allows those concerned to see that **STOP-IT V2** is not just a little protection software that allows some people to curb their addiction and protects the youngest, but it's also a super-efficient tool that allows me to track criminal networks around the world!

I hope you'll find my **STOP-IT V2** extension useful, and I'd like to thank everyone who uses it or tries it for the first time!
